

Jai Ganesh

Designer & Fabricator

jaigansa+talk@gmail.com

PROFILE

Designer and maker. I turn ideas into 3D models, real fabricated products, and AI-assisted apps.

SKILLS

FreeCAD, Inkscape, Blender, GIMP, Krita, Linux

SELECTED PROJECTS

Design

Mechanical design with FreeCAD from concept to detailed 3D models.

Real Product

Metal fabrication and truck body work, built to last.

Applications

Small, useful apps built with AI assistance.

Games

A few quick, playable games built for fun.
